DBIA LIBERTY REGION UPSTATE NY CHAPTER PRESENTS

Building Efficiency, Sustainability & Design Build Delivery

AIA CREDITS AVAILABLE

Topics covered include:

- ZNE, Passive House + other Sustainability objectives: Why these projects work in a Design Build delivery
- Building Efficiency, Distributed Generation, and why these work in a design build delivery
- Sustainability achievement + Design Build at DASNY, what we have learned, and where we go next

Featured Guest: Jodi Smits Anderson, DASNY

Jodi Smits Anderson is the Director of Sustainability Programs for DASNY. an architect, LEED AP BD+C, AIA member, NESEA Board member, past regional and national U.S. Green Building Council committee member. She is a NY Energy Code trainer and the 2018 recipient of the Green Building Advocate award. Jodi’s goal is to understand and incorporate informed sustainable practices into design, construction, and living, and to share whatever she has learned and learn still more from whomever will talk with her.
